

# New Generation i30

# Progress never stops. Move on.

Rarely does a new car come along that looks so right, that feels so now. The New Generation Hyundai i30 does all that in style. It holds appeal for everyone, from singles and families to the young and “young at heart”. Timeless design, advanced connectivity features and the most comprehensive package of Hyundai safety technologies add to the potent attraction. Enjoy a driving experience that delivers on every level.

# Move on in timeless style.

The confident design concept of the New Generation i30 shines through every detail. Precisely sculpted surfaces, a tapering silhouette and expressive design details establish an air of sleek, simple sophistication. The new cascading grille is inspired by the flowing descent of molten steel, creating a powerful impression of both strength and movement. Striking new full LED headlamps and eye-catching LED daytime running lights complete the allure.

## Move on with an exhilarating drive.

New turbocharged petrol engines invigorate the performance of the New Generation i30. The highlight is the new 1.4 T-GDi, delivering 140PS. There's also a new 1.0 T-GDi with 120PS and a 1.6 CRDi Diesel Engine, available with a 110PS power output. Together with a 7-speed Dual-Clutch Transmission, sharper steering and more agile handling, it all adds up to a thoroughly rewarding driving experience.

# Move on and stay connected.

In the New Generation i30 you'll enjoy seamless access to the integrated connectivity, navigation and infotainment systems via the floating 8" touchscreen. LIVE Services\*, Apple CarPlay™ and Android™ Auto\* functionality are standard on the i30 SE Nav upwards and will keep you in touch, informed and entertained throughout every journey. It's all presented in an elegant style and quality that embodies the timeless character of the New Generation i30.

Apple CarPlay™

8" Floating Touchscreen

Wireless Smartphone Charging\*

## Move on in relaxing comfort.

The calm sophistication of the cabin enhances the feeling of elegance, quality and space. In fact, the New Generation i30 is among the roomiest in its class. The large panoramic sunroof adds to this impression, and the button-operated electric parking brake frees up space between the front seats, which are available with heating.

Heated Front Seats

Dual-Zone Climate Control

# Move on in calm confidence.

Few cars have ever offered occupants so much peace of mind. The New Generation i30 is the first Hyundai to be equipped with Driver Attention Alert (DAA). It monitors driving patterns to detect fatigue and help avoid potential accidents. Among other advanced active safety technologies is Autonomous Emergency Braking (AEB).

**Driver Attention Alert (DAA)** detects the onset of driver fatigue and provides both acoustic and visual alerts.

**Blind-Spot Detection (BSD)** warns of the presence of vehicles hidden in blind spots by means of visual and acoustic alerts.

**Lane Keep Assist System (LKAS)** recognises lane markings and can apply corrective steering through long motorway journeys.

**Autonomous Emergency Braking (AEB)** automatically applies partial or maximum braking force if a potential collision is detected.

Car shown in Stargazing Blue metallic paint. Not to UK specification.

## Move on with intelligent efficiency.

Reducing weight boosts both performance and fuel efficiency. So Hyundai developed the structure of the New Generation i30 using weight-saving Ultra High Strength Steel. And the new turbocharged engines have been ingeniously engineered not only for enhanced throttle response and low-end torque, but also for lightness.

**More strength, less weight.** 53% of the load-bearing structure is assembled from Ultra High Strength Steel. Compared with its predecessor, the New Generation i30 saves 28kg in body weight.

## Time to move on.

Time flies. Nothing stands still. And for you, yesterday's rules no longer apply. These are the thoughts that inspired the creation of the New Generation i30. It's the car that will fit naturally into your own progressive lifestyle, because it's got exactly what it takes to tick all your personal boxes. Move on to the New Generation i30.

## Wheels

**15" 5-twin-spoke Design**  
alloy wheel (metallic grey)

\* Kerb Weight defined as the total weight of a vehicle with standard equipment (the minimum figure and factory fitted optional equipment (the maximum figure) and all necessary operating consumables such as oils, coolant, air conditioning refrigerant and a full tank of fuel, while not loaded with either driver, passengers or cargo.

† Payload is the difference between the Gross Vehicle Weight and the Kerb Weight.

‡ Gross Vehicle Weight is the maximum allowable weight of the vehicle, fully loaded with passengers and cargo (The Payload) and includes the weight of the vehicle.

\*\* Our vehicles are homologated according to the current European legislation on the basis of the New European Driving Cycle (NEDC). The results of the tests are published for comparison purposes. Real fuel consumptions, emissions and electric range will be different and will vary according to driving conditions, driving styles, types of routes and the standard of maintenance of the vehicle.

†† g/km = grams of emitted substance per kilometre travelled. CO<sub>2</sub> = Carbon Dioxide.

i30 DIMENSIONS

## Hyundai Finance

Hyundai Finance provides a range of products to make the purchase of your Hyundai even more accessible. To meet your requirements, our plans are simple but offer you the same quality and flexibility as your new Hyundai. Applying for a finance plan through your local Hyundai dealer is easy and they will support you in choosing the right plan for your needs.

As a customer your satisfaction is at the heart of our business, and whilst you are able to manage your account online, we are only a phone call away should you require any help or assistance. We offer two main products to assist your car purchase:

### CONDITIONAL SALE

Conditional Sale is a simple and traditional way to finance your car over a fixed period. You decide to fund the entire purchase price or put down a deposit and as your interest rate is fixed you'll pay the same amount each month. After all repayments have been made you'll own the car.

### PERSONAL CONTRACT PURCHASE (PCP)

Personal Contract Purchase could make it easier for you to get behind the wheel of your Hyundai, it may also help you to change your car on a more regular basis.

The way it works is simple — you decide what level of deposit to pay. From nil, up to a maximum of 50%. You also decide your repayment period (typically 25, 37 or 49 months) and set your anticipated annual mileage. This will determine your optional final payment.

You will then make fixed monthly repayments based on the outstanding balance and interest, less your optional final payment, and at the end of your monthly repayment period you will have three choices: return, retain or renew.

**RETURN:** you can hand the car back to us with nothing further to pay (subject to fair wear and tear, and/or excess mileage charges may apply).

**RETAIN:** you can pay the optional final payment and the car is yours.

**RENEW:** you can part exchange the car, using any equity over and above the optional final payment as deposit on your next car (equity is anticipated, but this cannot be guaranteed).

T&Cs apply. Subject to status. Applicants must be 18 or over. Guarantee/Indemnity may be required.  
Hyundai Finance, RH1 1SR

## 5 Year Unlimited Mileage Warranty

The passion and belief we have in the quality of our products mean we can offer an aftercare package to match. Visit your local Hyundai Authorised Repairer and we'll be delighted to give you the benefit of our expert advice, along with a fully-inclusive quote for any work you've requested.

Only Hyundai-Trained Technicians will attend to your vehicle, and you can also be sure that we'll only use Hyundai Genuine Parts which have been thoroughly tested and approved. We'll also check for any software updates to keep your Hyundai running smoothly. On collection, we'll explain your invoice and call you within 3 days of your appointment to check you're completely satisfied.

As the people who know your car best, the quality of our service is second to none.

### 5 YEAR UNLIMITED MILEAGE WARRANTY\*

A manufacturer-backed, unlimited mileage, 5 Year Warranty against manufacturing defects which is fully transferable to the next owner.

### 5 YEAR ROADSIDE ASSISTANCE

24 hour roadside assistance should you ever need it, anywhere in the UK or Channel Islands.

### 5 ANNUAL VEHICLE HEALTH CHECKS

A free, expert visual inspection by your Hyundai dealer on key areas of your car, to help spot any potential problems and ensure peace of mind.

### ADDITIONAL AFTERCARE

A 12 year Anti-perforation warranty against perforation of the bodywork, from the inside of the panel outwards.

\* The Hyundai 5 Year Warranty is subject to Terms and Conditions - see [hyundai.co.uk](http://hyundai.co.uk) for details.  
Vehicles used for taxi or private hire are covered by a 5 year, 100,000 mile warranty. Cover excludes fair wear and tear.

## Motability Plans

The Motability plan will enable some of you to purchase a Hyundai at a preferential rate. If you receive the Higher Rate Mobility Component of the Disability Living Allowance, you're entitled to access this excellent scheme. In recognition of your requirements, many Hyundai models can be ordered on the 3 year Contract Hire Scheme.

You'll benefit from advantageous features like power steering, height-adjustable driver's seat and automatic gearbox, which all come as standard.

Most of our dealers are Motability Accredited, so just contact them and they'll be happy to help. If you'd like to read about the scheme in more depth, simply visit **[www.motability.co.uk](http://www.motability.co.uk)**

## Ownership

We're always thinking about how to make owning a Hyundai even more enjoyable, and with a Hyundai Service Plan you can relax, knowing your Hyundai's scheduled servicing is taken care of for up to 5 years\*.

So what are the benefits of choosing a Hyundai Service Plan?

### Simplicity

- Take care of all your servicing needs for up to 5 Years\*

### Flexibility

- Choose to include your MOTs
- Pay upfront or in bite-size monthly chunks
- Transfer the financial balance of your plan when you buy a new Hyundai\*

### Convenience

- Incorporate your Anti-Perforation Check and Annual Vehicle Health Checks, saving you time

### Reassurance

- All work carried out by Hyundai trained technicians using Hyundai Genuine Parts

\* Terms and Conditions apply - see [hyundai.co.uk](http://hyundai.co.uk) for details.

## Hyundai Click To Buy™

Hyundai Click To Buy™ is the smarter, easier way to purchase a new car. Innovation has always been part of our DNA, and now we've streamlined the buying process itself. With a few simple clicks you can trade-in your old car, configure your new Hyundai, arrange finance and pay a deposit — all from your computer, tablet or smartphone device.

For added flexibility you can pay in cash, and the delivery arrangements couldn't be simpler. You can choose to get it delivered at your home at a cost, or collect it in the evening or weekend from your local dealer.

You'll be admiring your Hyundai in double-quick time thanks to the latest example of our new-thinking philosophy.

## MyHyundai

MyHyundai is a complimentary and exclusive owners' club with a variety of unique benefits that'll make your ownership experience even more enjoyable.

As well as amazing offers that range from incredible getaways to indulgent gifts, you'll also be able to set your own alerts and preferences, while storing all your car's details in one, easily-accessible place.

## Staying In Touch

We're committed to offering you the very best. That means, as well as delivering impressive cars, we'll also deliver helpful advice and service, every step of the way. Simply contact us on **0800 981 981** or visit our website at **[www.hyundai.co.uk](http://www.hyundai.co.uk)**

# Go! Editions

# Welcome to Hyundai. Welcome to Candoism.

Innovation is at the heart of what we do. We call it 'Candoism' and it keeps us focused on the future. We're proud of what we've achieved in a short space of time. Since launching our industry-leading 5 year unlimited mileage warranty, we've become one of the world's fastest growing car companies. We developed the world's first mass produced zero-emission Hydrogen Fuel Cell vehicle and we recently launched IONIQ – the only car available in hybrid, electric and plug-in hybrid options. We've also revolutionised the buying experience with Click to Buy – our clever website which allows you to buy your next Hyundai from the comfort of your sofa. So what happens next? The answer is inspired by you, our customers, because our next innovation will happen with you in mind. For us 'done' will never be 'done' – we're always excited to start again. Welcome to Candoism. Welcome to Hyundai.

# Meet our winning line-up

This summer, the world's best footballers will show off their skills on the biggest stage. We're celebrating our partnership with the 2018 FIFA World Cup™ by launching our own squad of Special Editions – including the i10, i20, i30 (5-door and Tourer) and Tucson Go! SE models.

Each model combines stylish exterior design with elegant interior features to make a real impact. On the outside, there's a unique new exterior colour, gloss black door mirrors and privacy glass for an extra touch of class. Plus, on the i20 and above, you'll enjoy striking new alloy wheels. Step inside and you'll immediately notice the high level of detail, including contrasting blue stitching, accents on the seats and black headliner. Bursting with innovative technologies, you'll benefit from navigation on every model, plus Apple CarPlay™ and Android™ Auto on i10, Tucson and i30. Our special line-up is ready to put in some top performances this summer.

\* Kerb Weight defined as the total weight of a vehicle with standard equipment (the minimum figure and factory fitted optional equipment (the maximum figure) and all necessary operating consumables such as oils, coolant, air conditioning refrigerant and a full tank of fuel, while not loaded with either driver, passengers or cargo).

† Payload is the difference between the Gross Vehicle Weight and the Kerb Weight.    ‡ Gross Vehicle Weight is the maximum allowable eight of the vehicle, fully loaded with passengers and cargo (the Payload) and includes the weight of the vehicle.    \*\* The Gross Train Weight is the weight of the fully loaded vehicle plus a fully loaded trailer and must not be exceeded.    †† The results given above do not express or imply any guarantee of fuel consumption of any model to which this brochure refers. The driver's style and road traffic conditions, as well as the extent to which the vehicle has been driven and the standard of maintenance, will affect its fuel consumption.    ‡‡ g/km = grams of emitted substance per kilometre travelled. CO<sub>2</sub> = Carbon Dioxide.

Specifications shown in this brochure are based upon the latest available information at the time of printing. The colours and finishes reproduced in this brochure are subject to the limitations of the printing process and may vary from the actual colour and paint finish.

In line with our policy of continual product improvement Hyundai Motor UK Ltd reserves the right to make changes at any time, without notice, to prices, colours, material, design, shape, specifications and models, and to discontinue items. For the latest details, please consult your Hyundai dealer.
